The Metal and Metallurgy Industry

On Path of Continued Growth and Competitiveness Globally

- ▶ **India's metal and metallurgy** sector has experienced significant growth due to industrialization, urbanization, and infrastructure development.
- ▶ **The country is a top producer of metals** such as steel, aluminum, copper, zinc, nickel, and lead, contributing to both domestic consumption and exports.
- ▶ **The government** has given its approval to introduce the Production-Linked Incentive (PLI) Scheme in Specialty Steel for Enhancing India's Manufacturing Capabilities and Enhancing Exports – Atmanirbhar Bharat.
- ▶ **Overall, India's metal and metallurgy** sector has the potential to drive economic growth and lead sustainable innovation, shaping a brighter future for the nation.
- ▶ **Research and development** in advanced materials like lightweight alloys, high-strength steels, and composite materials can cater to emerging market demands in aerospace, automotive, and electronics sectors.
- ▶ **Opportunities for growth and innovation** include integrating hydrogen as a clean fuel, adopting eco-friendly practices such as electric arc furnaces powered by renewable energy, recycling scrap metal, and efficient waste management.
- ▶ **The sector serves as a foundation** for downstream industries, supporting sectors like automotive, infrastructure, consumer goods, transportation, packaging, construction, electronics, power generation, and transportation.
- ▶ **Challenges include environmental pollution** and carbon emissions from traditional metallurgical processes, necessitating a shift towards greener alternatives.
- ▶ **Continuous technological advancements** are needed to enhance efficiency, quality, and competitiveness.

METAL AND METALLURGY EXPO 2025

Confederation of Indian Industry (CII) is organizing the 7th Edition of Metal and Metallurgy Expo 2025 – An International Exhibition and Conference to be held from 20th – 22th February 2025 at Pragati Maidan, New Delhi, India.

The exhibition with a focus on the latest development in metal and metallurgical industry will be an excellent platform for the Indian and international companies to showcase their state-of-the-art products and services.

EXHIBITOR PROFILE

Production

Ferro Alloy

Boilers & Furnace

Base Metals &
Copper

Forging, Foundry
& Furnaces

Aluminum Production

Rolling Mills,
Wires & Cables

Mining and
Mineral Processing

Iron & Steel Making

Stainless Steel

Pumps & Valves

Bearings, Gear

Casting Machines
& Technologies

Metal shaping
& Finishing

R&D
Organisations

Refractory Companies

Technical
Publications
and Periodicals

Industrial Product
Manufacturers-
Heavy Engineering &
Machine Tools

Technologies
(IT Infrastructure) and
Green solutions providers

VISITOR PROFILE

CEO's / Decision Makers,
Contractors & Consultants,
Trade Delegations,
Government / PSU
Departments, Buyers &
Sourcing personnel, Service
Industry Providers, Technical
Experts, Media-India &
Overseas.

Focus Sectors: Automotive Component
Manufacturers, Electronics, Engineering
services, Equipment Manufacturers,
Information Technology, Machinery &
Technology, Marine, Offshore,
Packaging, Petrochemical, Plastics &
Rubber, Power Generation, Printing,
Public Utilities, Telecommunication,
Transport component, Tube & Pipe and
Various others.

Focus Institutions: Trade,
Research, Development,
Financial, Educational

Focus Industries: Building,
Construction, Defense, Railways ,
Aviation, Automobile, Power, Mining,
Oil & Gas, Ship building & Ship Repair
and many more.

PARTICIPATION COST

Space Type	Member Rate (INR)	Non-Member Rate (INR)	Overseas Rate (USD)
Raw Space (Minimum 36 SQMs)	₹ 10,000/ Sqmt.	₹ 10,500/ Sqmt.	300/ Sqmt.
Built-up Space (Minimum 9 SQM)	₹ 11,000/ Sqmt.	₹ 11,500/ Sqmt.	330/ Sqmt.
Built-up Space-SSI (Minimum 9 SQM)	₹ 9,000/ Sqmt.	₹ 9,500/ Sqmt.	N.A.
Startup (6sqm Booth)	₹ 20,000		N.A.
Electricity Charger	Domestic (INR)		Overseas (US\$)
Indoor Raw Space (Rate per KW)	₹ 4,000		80

* Booth space will be provided on first-come, first-served basis as per sqm availability.
 Early bird offer of 5% less for bookings till July 2024. *Plus applicable taxes

A GLIMPSE

Confederation of Indian Industry

The Confederation of Indian Industry (CII) works to create and sustain an environment conducive to the development of India, partnering Industry, Government and civil society, through advisory and consultative processes.

CII is a non-government, not-for-profit, industry-led and industry-managed organization, with around 9,000 members from the private as well as public sectors, including SMEs and MNCs, and an indirect membership of over 365,000 enterprises from 294 national and regional sectoral industry bodies.

For more than 125 years, CII has been engaged in shaping India's development journey and works proactively on transforming Indian Industry's engagement in national development. CII charts change by working closely with Government on policy issues, interfacing with thought leaders, and enhancing efficiency, competitiveness, and business opportunities for industry through a range of specialized services and strategic global linkages. It also provides a platform for consensus-building and networking on key issues.

Through its dedicated Centres of Excellence and Industry competitiveness initiatives, promotion of innovation and technology adoption, and partnerships for sustainability, CII plays a transformative part in shaping the future of the nation. Extending its agenda beyond business, CII assists industry to identify and execute corporate citizenship programmes across diverse domains including affirmative action, livelihoods, diversity management, skill development, empowerment of women, and sustainable development, to name a few.

For 2024-25, CII has identified "Globally Competitive India: Partnerships for Sustainable and Inclusive Growth" as its Theme, prioritizing 5 key pillars. During the year, it would align its initiatives and activities to facilitate strategic actions for driving India's global competitiveness and growth through a robust and resilient Indian industry.

With 70 offices, including 12 Centres of Excellence, in India, and 8 overseas offices in Australia, Egypt, Germany, Indonesia, Singapore, UAE, UK, and USA, as well as institutional partnerships with about 300 counterpart organizations in almost 100 countries, CII serves as a reference point for Indian industry and the international business community.
